Item 1.01 Entry Into A Material Definitive Agreement

On May 8, 2008, All American Plazas, Inc. ("Plazas"), a wholly owned subsidiary of Able Energy, Inc. (the "Company"), entered into a Fuel Supply Agreement with Atlantis Petroleum, LLC ("Atlantis"). Plazas was formed by the Company to operate the truck plaza businesses the Company had acquired in May 2007 from All American Properties, Inc. ("Properties"), which was formerly known as All American Plazas, Inc. Properties is the largest shareholder of the Company.

The Fuel Supply Agreement provides that for a term of three years Atlantis will be the sole and exclusive diesel fuel supplier to eight (8) of the truck stop plazas operated by Plazas located in Pennsylvania. The price per gallon of the diesel fuel supplied by Atlantis provides Plazas with a favorable wholesale rate. The price per gallon is based upon the delivery of a full transport truckload of product. All prices charged by Atlantis are subject to the provisions of applicable law. It is estimated that pursuant to the Fuel Supply Agreement Atlantis will supply at least 44,000,000 gallons of diesel fuel for the first year and increase as Plazas increases its market share.

Atlantis is headquartered outside of Philadelphia, Pennsylvania and is a rising player in the fuel industry. Atlantis is an active member of the Association of Convenience Stores and the Society of Independent Gasoline Marketers of America and is a distributor of petroleum products throughout the Mid-Atlantic and Northeast United States.

The obligations of Plaza under the Fuel Supply Agreement have been guaranteed by Properties which guaranty is limited to a thirty day period beginning thirty days prior to Atlantis' written notice to Properties of Plazas' breach of the Fuel Supply Agreement.
