Item 8.01 Other Events

On December 15, 2008, the United States District Court, District of New Jersey, dismissed a purported class action brought by shareholders of CCI Group, Inc. against Able Energy, Inc. (the "Company"), its Chief Executive Officer, Gregory D. Frost, and its Vice-President of Business Development, Frank Nocito (the "Prior Action"), on the ground that the District Court lacked subject matter jurisdiction over the action. The dismissal came three days after counsel for the plaintiffs conceded in a letter to the District Court, dated December 12, 2008, that, after consulting with his expert, the District Court did not have jurisdiction. The Company and Messrs. Frost and Nocito intend to file a motion for sanctions against the plaintiffs and their counsel to recover all legal fees incurred in defending the Prior Action. The Prior Action, which was commenced on January 7, 2008, was disclosed by the Company in its Current Report on Form 8-K filed with the Securities Exchange Commission on January 11, 2008.

On December 19, 2008, the Company and Messrs. Frost and Nocito were served with a summons and complaint in a purported class action commenced in the Superior Court of New Jersey, Morris County, Docket No. L-3709-08. The complaint in this action and the parties bringing the action are substantially identical to those found in the Prior Action.

Each of the Company and Messrs. Frost and Nocito believes it/he has defenses against the alleged claims and intends to vigorously defend itself/himself against this action.
